

I love helping people have a better relationship with their horses. Clinics are a fun way to meet new people and share knowledge, especially in locations where training is scarce.

Types of clinics:

- Horsemanship
- Problem Solving and trouble shooting
- Confidence building and rebooting
- Cowhorse
- Reining
- Ranch Sorting
- 4-H and Youth clinics

Host a clinic at your riding facility, ranch or other private or public riding facility. The host of the clinic can participate in the clinic at no charge! My rates are \$600 a day for one day, or \$500 for multiple days. If the location is over 180 miles from my ranch, travel and lodging will be the responsibility of the host. Let's put something together in your area!
